**DECLARATION OF THE APPLICANT**

This is to certify that

- (i) The connection that I desire is a Low-Tension (LT) and is for domestic (residential) / Commercial (Shops/offices) / General Purpose Use.
- (ii) I do not have an existing electricity connection at the premises whose address is indicated in the application form where the connection is required.
- (iii) I do not have any arrears pending with the company.
- (iv) I certify that there is no disconnected service in the premises. It is also certified that no arrears are pending with the company by my legal heirs.
- (v) The length of service wire required to connect the premises where the service is required to the nearest pole is less than 30 meters. The over head line is existing in front of my premises.

I hereby declare that the information is true to the best of my knowledge.

I also understand that if any of the above conditions are found to be incorrect, I stand to loose the amounts paid towards applications registration, development and security deposit charges. The responsibility for consequential delay rests with me.

Signature of the consumer

*The prospective consumer has fulfilled the above conditions.  
Hence the service is released.*

### PART 'A'

( To be filled in by Section Officer)

1. i) Name of the Consumer and Full Address :  
 (Full Surname & name in Block Letters)
- ii) Father's Name in Block Letters :
- iii) In case the consumer is not owner of the premises specify owner's Name and address in full :
- iv) If so, whether the indemnity bond obtained :  
 (Original to be enclosed)

2. Nature of Premises to which supply relates :

3. Particulars of premises of which supply released :

Plot No. / Door No.	S.F. No.	Street	Town/Village/Ward	Mandal	District

4. Permanent address of the consumer

Plot No. / Door No.	Street	Town/Village/Ward	Mandal	District

5. Other S.C. No./Distribution in the name of the above consumer. (Full details to be furnished) :

- i) Whether the service now released is for a new premises or to an old premises to a new consumer (Specify the SC No./Cat. of any available already under disconnection)
- ii) Reasons for conversion of Category, if recommended :

6. Particulars of connected load

Sl. No.	Description of lighting / power appliances	Wattage	Total Wattage

6-b) Particulars of Capacitor fixed for motive load of >3 HP and for LT Industrial Loads

Make	Serial No.	KVAR rating

7. Particulars of Meter

Make	S.L. No.	Phase	Capacity	Connected CT Ratio	MF	Initial reading

8. Particulars of seal fixed to the meter

Location	No. of seals	Impression of seal	Type of seal	Sl. No. of seal
a) Meter Cover				
b) Terminal Cover				
c) Meter Box				

9. Tariff applicable (Specify the Category) : Rs. Monthly Minimum / Annual Minimum
10. Security Deposit : Rs. D.D. No. PCB No.  
& Date & Date
11. Agreement position  
(Despatch No. Agreement Regd. Item No. etc.)
12. (a) Connected Load (in words)  
(b) Contracted Load (as per the sanctioned estimate) (in words)
13. Tariff guarantee : Rs. per HP  
(a) Special AMG : Rs. per HP for Years
14. Date of Commencement of supply / Inspection :
- (a) Date of expiry of 03 months notice (for power service)
- (b) Whether the UCM Charges were paid before releasing the services, if applicable (furnish PCB No. and date. D.D.No. etc./ Receipt No. of the E.R.O. when payment is made at ERO
