D.O.No.6/1/R&D/APDRP/06
Dated 8th September, 2006

Dear Shri Praveen Prakash,

I take reference to the APDRP review meeting taken by Joint Secretary (Dist), MoP on 31st August 2006 at Noida. It is indeed heartening to note that the performance of AP as a whole and the towns in particular in achieving the objectives of APDRP was appreciated by the MoP. I would like to congratulate the DISCOM under your able leadership for this achievement. CPRI is happy to have been associated in this endeavour as AcC for Andhra Pradesh and we look forward to improving the performance in coming months.

With kind regards,

Yours sincerely,

(A.K.Tripathy)
